RESCUER CITED FOR HEROISM

W. L. Osborne Is Credited With Saving Man's Life At Peril To His Own

Eddie Wilcox, 48, is at Placerville Sanatorium for the treatment of electric burns and probably will recover, thanks to W. L. Osborne, of Placerville, superintendent of the California-Aztec Mining Company. The modest mine superintendent insists he only did what anyone else might have done under similar circumstances, but his action in saving Mr. Wilcox's life has attracted the attention of civic leaders and it seems probable he will be recommended for some form of recognition.

Wilcox was cutting grass around the Kelsey mine last Friday when he came to the fence which surrounds the transformer installation that serves the mine with electricity. There was grass inside the fence, so Wilcox climbed over.

The installation is on a hillside so steep that Wilcox lost his balance and fell backward, rolling against the electrical installation and coming to rest with his back against two 11,000 volt taps on the transformer bank. He struggled to free himself and was also burned on one arm.

Osborne was in the near vicinity and went to his rescue.

He grabbed his leg to pull him free, and the electrical charge sent Osborne sprawling over against the fence.

Although many people would have concluded that it was time to call for help, Mr. Osborne resumed his rescue attempt, and this time caught Mr. Wilcox by the cloth on the leg of his overalls, and pulled him free.

Then, within a few feet of the electrical installation, Osborne began artificial respiration, but the sun was too hot there and so he dragged Wilcox from the sub-station enclosure to a point where respiration attempts could be resumed on one arm.

"When Wilcox began to try to fight me off and to struggle, that's what I had been working and waiting for," Osborne told Roy G. Strum, P. G. & E. Company district manager. "It must have been about an hour that I worked on him."

With the victim returned to consciousness, Osborne placed him in a car and brought him to Placerville to the Sanatorium.

Checking up afterward, it was agreed that Wilcox was first injured about one o'clock, and it was about 2:30 o'clock when Mr. Osborne delivered him at the hospital.

He is reported to be resting easily with every chance for recovery.

Wool Delivery Made Monday

Pool Arranged By Farm Bureau Sheep Department Delivers 5,000 Fleeces

The county wool pool, negotiated through the Sheep Department of the county Farm Bureau, was to be closed on Monday with approximately seventy sheep owners of the county delivering a total of 5,424 fleeces at the P. F. G. A. fruit shed.

The wool pool had been sold on March 20th to the Stockton Wool Company, at 46 5/8ths cents per pound and on that date it was agreed the wool would be delivered and payment made on May 29th.

Subsequently, owing to seasonal conditions, the date for delivery, weighing in and payment was postponed until Monday of this week.

In addition to the 5,424 fleeces, which are expected to average about seven pounds apiece, the pool also has sold 1,084 mohair fleeces, most of which have been delivered.

Roy Marks, chairman of the Sheep Department, was assisted by Farm Advisor Ivan Lilley in arranging for the pool.

FRANK JORDAN CANDIDATE FOR ELECTION AS SECRETARY OF STATE

Frank M. Jordan, who for many years was chief deputy Secretary of State, was a Placerville caller Friday calling on friends and attending to matters in connection with his candidacy for election as Secretary of State.

Mr. Jordan served for many years as deputy under his father, the late Frank C. Jordan, and is thoroughly familiar with the work of the office and widely known throughout the state.

TAKE COVER IMMEDIATELY IF AIR RAID WARNING SOUNDS

(This has been approved by the Civilian Protection Division of the United States Office of Civilian Defense.)

1. In ANY air raid or blackout, take cover immediately.

a. If you are away from home. GET OFF THE STREET. You are ten times safer in a building than standing or walking on the street. If you are in a car, pull to the side of the road immediately. Do NOT double park. Keep clear of fire plugs. Get out of the car, bus or street car and take shelter.

b. If you are at home, take immediate blackout precautions. Extinguish all lights. Have your fire protection equipment ready. Go to your blackout room, it should be the safest room in your home. Stay away from windows. Bomb explosions shatter glass for considerable distances.

2. Don't use the telephone. Remember those persons who have been trained to protect you—the air raid wardens, fire watchers, auxiliary firemen, auxiliary police, and many others. MUST be able to get really important messages through. Your person-

al calls have got to wait until after the all clear signal.

3. If you are caught in the open lie down on your stomach. You are twice as safe lying down as standing up.

4. If incendiary bombs fall, play a fine spray of water on them. Put out the fires started by the incendiaries first, then devote your attention to the bomb. The coarse spray of water burns the bomb up faster.

A heavy jet, stream or bucket of water will make the bomb explode. If you have no way of treating the bomb with water, cover it with dry sand. Then with a blunt-nosed shovel scoop the bomb onto a pile of sand, dump the sand and bomb into a pail and take it outside.

5. Remember, OBEY YOUR AIR RAID WARDEN AND OTHER MEMBERS OF THE UNITED STATES CITIZENS DEFENSE CORPS. THEY ARE TRYING TO HELP YOU.

6. Above all—KEEP COOL—STAY HOME—PUT OUT LIGHTS—TAKE SHELTER—LIE DOWN—STAY AWAY FROM WINDOWS. YOU CAN HELP.

FOOD FORUM ON TUESDAY

Methods Of Preserving Fruits And Juices Will Be Demonstration Topic

Homemakers of the county will be welcomed Tuesday at a day-long meeting at the lunch room at Placerville Grammar School during which Miss Claire Pauli, a home demonstration agent of the University Extension Service, will conduct a food preservation institute.

It is expected that the consideration of the day's study may start about 10:30 o'clock. Each one attending will plan her own lunch. The afternoon meeting will be called at one-thirty o'clock and the institute looks forward to adjournment about three-thirty o'clock.

"It is believed that the subjects to be considered under Miss Pauli's guidance may be of general interest to all homemakers," said Farm Advisor Ivan Lilley.

"During the morning there will be an exhibit and demonstration of home methods of drying vegetables and fruits. This will be followed by a demonstration and discussion of the canning and bottling of fruit juices and tomato juice, and a question and answer period will close the morning session.

"In the afternoon, canning with a pressure cooker will be the first topic, and those who have pressure cookers and wish to have the valves tested may present the valves at this time.

"Canning of fruits with little or no sugar and with other sweetening agents is a topic which is of interest at this time and Miss Pauli will include a demonstration of this work in her program.

"Freezing of fruits and vegetables is the final topic of the day, which will close with another discussion period.

"This meeting represents the effort of the Extension Service to assist homemakers in the solution of some of the problems which the war is presenting, and any person interested is welcome to attend this food preservation institute."

SMOKING, FIREWORKS REGULATIONS SET FOR FOREST

Headquarters of Eldorado Forest reported during the week the regulations governing smoking and discharge of fireworks on the forest, which are effective June 10th and until October 15th.

Smoking is prohibited on Eldorado Forest during this period, except at camps, places of habitation and special posted areas.

The discharge of fireworks on national forest lands or the placing or throwing of a burning cigarette, cigar, match, pipe heel, firecracker or any ignited substance in any place where it may start a fire, is prohibited during this period, with certain exceptions made in the case of fireworks.

There is no ban against fireworks over the waters of Echo Lake, Lake Tahoe, Wright's Lake, Lake Lake, Twin Lakes, Kirkwood Lake or Silver Lake.

Mr. and Mrs. A. N. Weber and son, Melton, were here the latter part of the week from Susanville, visiting friends and attending to business matters.

Recruiting Cruiser Enlists 6 Men

Navy Department Expresses Thanks For Community's Spirit Of Cooperation

The Navy Recruiting Cruiser, which visited Placerville last Friday to Sunday, was the scene of the enlistment of six El Dorado County men in the Navy or the Naval Reserve.

This is according to a report made by Boatswain Frank R. Mason, officer in charge, on Sunday.

The six are:

George Buhlman, Route 3, Box 8, Placerville;

Winston Clyde Vaughn, General Delivery, Placerville;

William Robert Gregor, 1 Sheridan Street, Placerville;

Alvin Everett Berkenkamp, Pollock Pines;

Homer Elba Hunsaker, 435 Main Street, Placerville; and

Neil MacLeod, Box 204, Route 2, Placerville.

The men will report subject to their special orders, for training and assignment to duty.

Expressing an appreciation for the interest shown in the assignment of the Recruiting Cruiser to its stay in Placerville, Boatswain Mason said, "I again wish to thank you for all of the cooperation that you and the people of your community gave us on our visit to your city."

The cruiser arrived Friday and was parked on Main Street, opposite the bell tower in front of the Forni Market building during its stay in Placerville.

Mr. and Mrs. Stanley M. Millar, of San Francisco, were here last week to attend the graduation exercises at the high school.

Mrs. F. M. Ogle was a caller in the county seat Saturday from Grizzly Flat.

BLACKOUT SIGNALS

Alert—Six blasts of the siren, each of 30 seconds duration. (Blackout all lights on this signal.)

All Clear—One blast of the siren, one minute duration.

INSTRUCTIONS
Owners of businesses and householders are responsible for extinguishing outside lights, or lights which can be seen from the outside, on or in their properties.

Outside lights must be extinguished and there must be no leakage of light from within. Motorists will park their cars so as not to obstruct emergency traffic; park clear of fire hydrants; extinguish car lights and seek shelter.

Where no shelter is available, lie flat upon the ground.

Rural communities will be advised of any blackout by telephone through the sheriff's office.

(The above is a condensed review of blackout instructions issued in December by the Council of Defense.)

RAID WARDENS MEET JUNE 17

Defense Council Calls Courthouse Session Of Volunteers In City

Volunteer air raid wardens for Placerville and the immediate vicinity, are called to meet at the Superior Court room in the courthouse on Wednesday evening, June 17th, at 7:30 o'clock.

In announcing the meeting, the County Council of Defense pointed out that the meeting is being announced ten days in advance to the end that all concerned may plan to attend the meeting.

Although the session is intended chiefly for air raid wardens in Placerville, any other air raid wardens who may wish to attend will be welcome to do so, it was said.

The business of the evening will be related to the work for which the air raid wardens are organized. All are urged to make their plans so that they may attend the meeting.

Smith Flat Man Corporal In Bombardier Training

MIDLAND ARMY FLYING SCHOOL, Texas—Pvt. First Class John W. Phegley, 25 years old, son of Milton Phegley, of Smith Flat, California, has been promoted to the grade of corporal, according to an announcement at Midland Army Flying School, largest of the United States Army Air Forces' bombardier training schools.

Sergeant Carl Schmershal Is Officer Candidate

Sergeant Carl Schmershal was here during the weekend on a stop-over visit enroute to the Engineers School of the Army at Fort Belvoir, Virginia, as a candidate in officer's training.

STAY INSIDE, KEEP WINDOWS CLOSED IN GAS ATTACK

(This has been approved by the Medical Division of the United States Office of Civilian Defense.)

1. Serious injury may result from exposure to liquid gas which may fall from airplanes. It is, therefore, imperative to remain indoors and keep the windows closed.

2. War gases are heavier than air. If you are inside a building remain there, and, if possible, go upstairs. Do not complicate the military effort by leaving your house unless circumstances make it absolutely necessary. If you are outside and not able to immediately go indoors, walk—do not run—get out of the gas area. Avoid puddles of liquid gas, basements, valleys and other low places.

3. If the windows of your room are broken, go to another room, or get out of the building.

4. If you have been exposed to a war gas—

a. Breathe through cloths wet with baking soda solution.

b. If you can go inside a building, do so, but first remove your outer clothing and leave it outside.

c. Wash your hands and then your face with laundry soap and water.

d. Wash your eyes at once with a large amount of a solution of baking soda; one teaspoon of baking soda in a glass of water.

e. Take a bath using plenty of laundry soap.

f. Wash your eyes again with baking soda solution.

5. If splashes of liquid gas have gotten on you—

a. Using small pieces of cloth, cleansing tissue or toilet paper, blot up as much of the liquid as you can, being careful not to spread it.

b. Dab the contaminated area with cloths wet with Clorox, Purex, Sani-Clor, etc.

c. Steps b, c, d, e, and f in 4 above.

6. Do not get excited. Lie down and cover yourself with a blanket. Your Air Raid Warden will summon medical aid.

THERE IS NO IMMEDIATE SERIOUS DANGER FROM EXPOSURE TO ANY KNOWN WAR GAS IF YOU FOLLOW THESE SIMPLE RULES. CLIP THEM OUT AND MEMORIZE THEM.

3 Jailed For Giving Liquor To Minors

Two Are Fined In Court Monday; Third Will Be Returned From Nevada

"We are going to stop this business of children getting liquor and will prosecute right down the line."

This was the comment of District Attorney Henry S. Lyon following the sentencing Monday morning of two men involved. At the same time, Mr. Lyon announced the arrest of a third man at Battle Mountain, Nevada.

He is charged with contributing to the delinquency of minors, an indictable misdemeanor, and will be returned to El Dorado County for a hearing.

F. A. Lavisott, 30, and A. B. Boeding, 22, were the two found guilty Monday morning in Placerville township court, on charges of furnishing liquor to minors. They had been arrested by Sheriff George M. Smith and Deputy Le Bourveau.

Mr. Lyon said that the circumstances took place in connection with a recent dance at Camino and the evidence was that Lavisott had purchased a bottle and furnished it.

Mrs. M. Holden Services Set

Last Rites Wednesday For Native Of Deer Valley, Who Died On Saturday

Mrs. Matilda Etzel Holden, 79, native of Deer Valley and, except for a few years, a life-long resident of this county, passed away Saturday night at the home of her only son, Charles Holden, in the Rescue district.

The funeral services will be held on Wednesday afternoon at 2 o'clock at Memory Chapel. The Ven. Rev. A. Barron will officiate. Interment will be at Jayhawk cemetery.

Mrs. Holden spent her girlhood in the Deer Valley section and for a few years following her marriage resided at Napa. Later she returned to this county and had made her home here continuously since.

She had been making her home with her son and only child, Charles Holden, for several years past and passed away peacefully Saturday night, her demise being unknown to the family until Sunday morning.

In addition to the son, she is survived by a brother, Chris Etzel, of Roseville, two granddaughters, Mrs. Clara Hodgkins, of Missouri; Mrs. Ruth Fields, of Missouri; Mrs. Clara Hodgkins, of Missouri; Mrs. Ruth Fields, of Missouri; Mrs. Clara Hodgkins, of Missouri; Mrs. Ruth Fields, of Missouri.

EL DORADOANS ATTEND CHROME CONFERENCE AT NEVADA CITY

A delegation of five was planning to go from Placerville Monday evening to attend a meeting of the Tri-County Chrome Conference, at Nevada City.

In addition to Chamber of Commerce Secretary Wallace M. Ripley, the delegation was to include F. Arthur Richards, Frank W. Phillips, R. A. Sinclair and George McKee.

The conference was to be devoted to a study of chrome output in Nevada, Placer and El Dorado counties.

ARMY CONTROLS HIGHWAY WORK

Realignment In Shingle Section Included In State's Work Plan

Whether work may be undertaken in the near future on the realignment of U. S. Route 50 through the Shingle Springs section, rests pretty much with the military authorities.

This is according to State Senator H. E. Dillinger, who spent Friday afternoon at the capital and made some inquiry concerning the status of the projected realignment.

Mr. Dillinger learned that the Shingle Springs project is one of several which the state had contemplated, which is now being taken up with federal authorities at Washington with Engineer Fred Grumm, of the State Highway Department, in conference with federal officials.

Mr. Dillinger said that in all of the state's highway construction, the question of military expediency is paramount and that in work in which the purchase of supplies in any considerable amount is necessary, it is understood that this phase of the matter must be passed upon by the War Production Board.

Lay observers suggested that in regard to the question of materials, the Shingle Springs realignment appears to be one which might be carried out with a minimum of materials needed.

14 NEW BOOKS ADDED TO CITY-COUNTY LIBRARY SHELVES

Mrs. Jessie Maynard reports the recent receipt of fourteen new books for the city-county library. The books were selected by the library committee and all ready are in circulation.

They include: "Bride of Glory," by Bradda Field; "Fear Stalks the Village," by Ethel Lima White; "Victory Through Air Power," by Major Alexander P. De Seversky; "Sam Small Flies Again," by Eric Knight; "The Last Time I Saw Paris," by Elliot Paul; "Hex Marks the Spot," by Ann Hark; "The Day of the Saxon," by Homer Lea; "The Valor of Ignorance," by Homer Lea; "Fanny Crosby's Story of Ninety-Four Years," by S. Trevena Jackson; "Cross Creek," by Marjorie K. Rawlings; "The Edge of Darkness," by William Woods; "And Now Tomorrow," by Rachel Field; "Our Enemy Japan," by Wilfred Fleisher; and "Sixteen Famous American Plays," edited by Bennett A. Cerf and Van H. Cartwell.

CALL WEDNESDAYS, FRIDAYS, SATURDAY MORNING FOR CANNING SUGAR

The ration board's office announced Monday that it is preferred that homemakers calling for canning sugar rations call at the board's offices in the courthouse on Wednesdays, or Fridays or on Saturday mornings.

The schedule of weekly visits to the rural county is being developed and will include, it is understood, one call each week at Shingle Springs, Georgetown and Lake Valley.

However, final arrangements have not yet been made and public announcement of a schedule is being withheld until all arrangements are concluded.

J. DEBERNARDI RITES TUESDAY

Services Will Be Held At Catholic Church, Burial Under Druid Auspices

The funeral services for John B. De Bernardi will be held Tuesday morning at ten o'clock at St. Patrick's Catholic Church.

Interment will be at Union Cemetery under the auspices of California Grove No. 1, U.A.O.D., of which the deceased was a member.

Mr. De Bernardi passed away on Friday evening at his home of infirmities incident to advanced age.

John Bernardo De Bernardi would have passed his ninety-fifth birthday had he lived until June 24th. On that day, in 1847, half a year to the day before the discovery of gold at Coloma, he was born in Switzerland.

As a young man, he came to California in 1864 and among his early occupations was that of driving stage on the route between Sacramento, Placerville, and Virginia City.

Subsequently he followed carpentry and at one time owned and operated a planing mill in Placerville, being for a period associated with the late Will Seely.

Mr. De Bernardi was interested in civic and fraternal work in the community and at the time of his death he was said to be the oldest living member of the Druid order in the state. It was also said of him that he was a member of the first city board of trustees.

He was active in local musical circles in his earlier life and was a member of the musical organization which attended and took part in the program at the dedication of the monument at Coloma over the grave of James W. Marshall, more than fifty years ago.

On April 9th, 1882, Mr. De Bernardi and Miss Emilia S. Gallazzi were married in this city, and they lived to celebrate their golden wedding anniversary in 1932, and were together for the fifty-eighth anniversary of their marriage.

Mr. De Bernardi is survived by five children, Mrs. Elizabeth Chalmers, Leo De Bernardi and Max De Bernardi, all of San Francisco, Mrs. Esther Dugan, of Placerville, and Albert De Bernardi, of Cammino.

Several grandchildren also survive him.

Lions Meet On Wednesday

60 Reservations For Steak Dinner Reported By Committee In Charge

Lions are being reminded by Secretary Arthur Mart that the regular Tuesday luncheon meeting of the club for this week has been canceled and the club will meet instead on Wednesday evening at 6:30 o'clock for a steak dinner at the county fair grounds.

Arrangements for the evening are in the care of the club's entertainment committee for June, of which A. H. Murray is chairman, and the Monday morning report of the committee was that reservations for the dinner total approximately sixty.

Chief business of the out-door meeting will be the installation of recently elected officers of the club for the new year, and the reports of various committees on the work of the year now closing.

Entertainment for the evening will include specialties by L. W. Loomis and George McKee, and such other special features as the committee in charge may reveal at the time of the meeting.

CCC Enrollments Open For Seven Camps

County Clerk Arthur J. Koletzke has received word from the district CCC offices that plans provide for the operation of thirty camps in California during the new fiscal year and that enrollment will be open to California youths in seven of these camps.

The announcement says that "Young men between the ages of 17 and 23 who are not employed in defense industries, and who are not at present acceptable to the armed forces may make an important contribution to the war effort by enrolling in the Civilian Conservation Corps."

Charles G. Thomas, of Sacramento, arrested by a Highway Patrol officer on charges of being drunk on a public highway, was fined \$5 Friday before Justice of the Peace T. F. Lewis.

Navy blimps that can anchor at sea, land on water or fly along safely at hedge-hopping altitudes are being used today to help track down Axis submarines off the coast of the United States.

A far cry from the dirigibles used experimentally for transatlantic crossing several years ago, these blimps incorporate the latest devices that industry has developed for lighter-than-air craft.

The modern wolf-pack hunters are smaller, non-rigid and more maneuverable than the older type planes, they frequently can spot

the subs more easily. Should a submarine be about 250 feet long and 76 feet high and are powered by two radial, air-cooled aviation engines. They can speed along at 80 miles per hour or cruise with a full military load for 15000 miles at 50 miles per hour.

One of the great advantages that these flying bloodhounds have in submarine stalking is that, unlike airplanes, they can hover directly above an undersea craft. And, because they fly at slower speeds than planes, they frequently can spot

and hide out on the bottom, hoping to escape destruction, the blimp can stay above indefinitely and wait for it to reappear.

They carry a crew of eight men and are armed with bombs, depth charges and light cannon and machine guns.

Besides spotting submarines, they can be used to locate mine fields and to maintain contact with surface vessels plying the coastal routes. Since they can land on water, they are also useful in rescue operations.

CORONER'S INQUESTS MAY BE HELD WEDNESDAY EVENING

Coroner A. J. Orelli indicated Monday that he will convene an inquest on Wednesday evening at the courthouse to review the circumstances in the recent death of Mr. Turnbo at Shingle, and to review the circumstances in the death last month of the Rev. Mrs. Edwards, in Lake Valley.

Whether an inquest will be held in the case of the child recently drowned near Fresh Pond, was not determined.

The coroner said that it has been impossible for him to call an inquest in the death of Mrs. Edwards before this time, since her companions were so severely injured that they are only now sufficiently recovered to permit them to come to Placerville to testify.

MINUTE MEN ASKED TO MAKE FINAL REPORTS BY WEDNESDAY

The Minute Men in Placerville and vicinity, who during the past two weeks have been carrying on the War Savings Pledge Campaign under the chairmanship of Frank Irwin, were called upon Monday to complete their canvasses and make final reports by Wednesday.

Attorney Thomas Maul, chairman of the county War Savings Committee, reported that the reports from Minute Men from the rural county are being filed promptly.

Those who may have been unable to contact parties within their districts are urged to make renewed efforts immediately so that the results of the campaign may be completed and reported to the state and national headquarters without further delay.

Completion of the Pan American Highway may divert a large share of United States' tourist expenditures to South and Central America, according to the Department of Commerce.

MRS. CLAIRE LINDSEY, of Oakland, will become Grand President of the Native Daughters of the Golden West, at the annual Grand Parlor opening on Monday, at Oakland.

NATIVE DAUGHTERS OPEN GRAND PARLOR MONDAY AT OAKLAND

During this coming weekend Native Daughters of the Golden West will be enroute to the City of Oakland, where on Monday morning, June 15th, they will assemble for their annual State Convention.

The Convention, due to conditions prevailing at this time, has limited its sessions to three days, only half the usual time consumed in the annual meeting of the order; and, necessarily, the program has been jam-packed with events of greater interest than usual.

Among other programed features of the Convention will be the election of officers to serve during the ensuing year, and among those to be presented for official honor is a daughter of the Southern part of the State, Mrs. Mary Norenberg, who has devoted many years as a member of the Native Daughters of the Golden West to cherishing its traditions, helping to preserve its historic landmarks, and upholding the ideals of her organization. She has served as Outside Sentinel and in other positions in the Grand Parlor, including that of Trustee; and is now its Grand Marshal.

Most prominent in the picture for official honor, of course, Mrs. Claire Lindsey, due to be advanced to the Grand Presidency. She is a member of Golden Gate Parlor N.D.G.W. of San Francisco, and a resident of Oakland.

ROLLER SKATING JAMBOREE ON JUNE 14TH AT MOTOR CITY
The Motor City Roller Club has announced a roller skating jamboree to be held at Motor City on Sunday, June 14th, and all clubs of the central part of the state, from San Jose to Sonoma, are being invited.

It is expected that the greater number of the twenty-two permanently formed clubs in this area may be represented at the jamboree, and El Dorado County fans who have never attended a roller jamboree will have a first class opportunity to do so.

Principal contest events will be held Sunday afternoon so that the competitors who come from distant points may get an early start home.

There will be some special events in the evening program, opening at seven o'clock.

COUNTY BOY SCOUT WILL SHARE IN PASSING OUT LITERATURE

Boy Scouts and Boy Scout Leaders of the Golden Empire Council have completed plans for the effective distribution of forthcoming literature which the Government desires to place in the hands of all Americans. Hazen Shower, Scout Executive, said today.

The pamphlets are being printed by the Government Printing Office and will be ready for distribution very soon. Twenty-one million copies will be distributed by the Boy Scouts of America in the nationwide effort.

Names and addresses of Scout Leaders in each community of the five-county Golden Empire Council who will act as coordinators, have been forwarded to Washington. When the literature is ready it will be mailed directly to each of the coordinators in the five-county area who will in turn see to it that each Troop of Boy Scouts in the community covers its allotted "Troop Service Area."

In asking that this job be done by the Boy Scouts of America, James M. Landis, Civilian Defense Chief, wrote Dr. James E. West as follows:

"I know there is no other organization upon whom the Government could count for this task with such advance assurance that the job would be well done."

Bert Marchini Recently Named To Be Sergeant

Bert Marchini, son of Mr. and Mrs. Andrew Marchini of Gold Hill, has recently been promoted to be a sergeant in the Army Engineers, according to word received by his parents. Bert entered federal service as one of the members of the county's National Guard Company.

Oklahoma Protects Deer
OKLAHOMA CITY, Okla. (AP)—Deer hunters of Oklahoma will have to go to other states to do their shooting this year. The state game and fish commission has announced that deer hunting will be prohibited in Oklahoma during the remainder of 1941 because of a severe shortage of bucks of mature age.

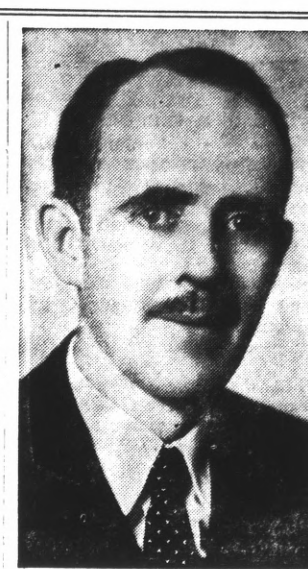

Widow Spiders Studied
NEW WILMINGTON, Pa. (AP)—The Westminster College biology department has acquired a collection of deadly "black widow" spiders. Of a group of 12 spiders shipped here from California, four survived the trip and now are under cellophane for observation.

FARMERS... Make every market-day BOND DAY!

For our fighting men for our country's future and for freedom we must meet and beat our county War Bond quota and keep on doing it.

Pick up your War Bonds and Stamps on your second stop in town... right after you've sold your eggs, milk, poultry, stock or grain. No investment is too small and no investment is too large... the important thing is to buy every time you sell!

CANDIDATE for election as Representative in Congress from the Second District, is Frank G. Finnegan, of Nevada City.

FRANK C. FINNEGAN IS CANDIDATE FOR CONGRESS

Frank G. Finnegan has announced his candidacy for Congressman from the Second District of California.

Mr. Finnegan was born in Alturas, Modoc County, and has spent practically all his life in this congressional district. He has been a practicing attorney for 12 years and is now practicing in Nevada City. He was formerly a partner of Hon. George L. Jones, the Superior Judge of Nevada County.

Mr. Finnegan has been a lifelong Democrat. He has been Chairman of the Democratic County Central Committee for four years, and is a member of the Democratic State Central Committee. He managed the Roosevelt campaign in Nevada County in 1936 and 1940, and organized the first chapter of Young Democrats in San Francisco during the first Roosevelt campaign.

The candidate will file for both the Democrat and Republican nominations and in doing this he hopes to receive support from the people of both parties who are opposed to the isolationist policy.

He is a graduate of the Hastings College of Law, University of California, where he worked his way through college as a night auditor for the Pacific Telephone and Telegraph Co. He is married and has one daughter, six years old, and

owns his home in Nevada City. He is president of the Nevada County Bar Association; president of the Board of Nevada City Unified School District; City Attorney of the City of Nevada; Past Exalted Ruler of the Lodge of Elks; Past President of the Rotary Club, Member of the Native Sons of the Golden West; Member of the local Draft Board, and Past Chairman of the Nevada City Chapter of the American Red Cross.

He is familiar with the problems of the lumbering, mining and agricultural interests of the district, having worked in lumber camps, mines and farming.

USO CAMPAIGN OPENS DESK MONDAY MORNING AT BANK OFFICES

El Dorado County's USO campaign reached "the man on the street" stage Monday morning with the establishment at the Bank of America of a desk at which contributions to the campaign may be left.

H. E. Dillinger, campaign chairman, said that the total raised up to this time is approximately \$700 of the quota of \$3,600 which has been assigned to this county.

Mr. Dillinger said that a number of persons have expressed their interest in supporting the USO work and have indicated that at some future time they would remit to the campaign fund.

"We are right in the middle of things now," Mr. Dillinger said, "and all contributions to this very worthy work in behalf of the men in the armed services are acceptable at any time."

Miss Diana Barker, of the Placerville exchange of the Pacific Telephone and Telegraph Company, has accepted a summer assignment to the company's exchange at Tahoe City.

A WARTIME NECESSITY—

Duration-ize your appliances with timely repair!

THERE are not going to be any more appliances manufactured for home use for an indefinite period. So we are going to be a lot more careful in the use of all things we own and we must keep in good repair, all of the mechanized equipment used on the Home Front. In the past, we could always buy new and better and more efficient equipment. BUT NOT now! That is not for the duration.

We must—all of us in the U. S. A.—Duration-ize our home appliances with timely repair. It is a wartime necessity. So to meet this necessity, this Company, and the manufacturers, and the dealers from whom you bought your appliances, have set up a service of repair. It means a check-up service to improve the operation efficiency of the household appliances. It means a repair service with factory-made replacement parts to restore appliances to efficient low-cost operation.

Take a look at your appliances today. Will they see you through the war? You will be wise to Duration-ize with timely repair.

HONOR ROLL OF SERVICE MEN BEING COMPILED BY CLUB

An Honor Roll of El Dorado County men in the armed services is being compiled by Placerville Lions Club and George E. Faugsted heads the committee in charge.

The work has been going on for several weeks and is made difficult by the circumstance that there are a number of men in service whose enlistment antedates the establishment of Selective Service.

The committee is dependent upon the Selective Service office staff, whose members have been very helpful, for obtaining the names of El Dorado County men who are inducted.

Anyone acquainted with an El Dorado County volunteer whose name is not included in this list, may assist by reporting the man's name to Mr. Faugsted. The names of the men who are inducted for service through the Selective Service office in Placerville will be available from the board's office. However, this is an extra duty for the office staff and the compilation of additional names must wait until other more pressing responsibilities are discharged.

The "tentative" Honor Roll as of "about May 1st" is as follows:

3 Jailed For Giving Liquor To Minors

(Continued from Page One)

to a minor, while the evidence in the complaint against Boeding was that he had given liquor to a minor.

Justice of the Peace T. F. Lewis fined Lavisott \$25 and imposed a \$10 fine on Boeding.

The man held at Battle Mountain, Nevada, is Stanley Stayles, who during the school year was employed by Placer County as a school bus driver carrying pupils from the North Side of this county to Auburn.

J. W. Caswell, state liquor enforcement officer, reported that at the joint graduation exercises of the Spanish Dry Diggins and Greenwood Schools, on May 30th,

two minor boys appeared under the influence of liquor.

Mr. Caswell was assisted in the investigation by Probation Officer Charles W. Ball, County Nurse Helen Byrnes and the district attorney's office.

The boys reported that prior to the graduation exercises they had been furnished wine by Stayles in his apartment. Since it was not possible to extradite Stayles on the misdemeanor charge of furnishing liquor to minors, he was charged under the welfare code with contributing to juvenile delinquency and is held at Battle Mountain for return here.

Sheriff George M. Smith indicated he will go to Battle Mountain Tuesday for the prisoner.
